In this Disclosure and Agreement, the words “I,” “me,” “my,” “us” and “our” mean the individual that applied for and/or uses any of the Remote Deposit Capture Services (“RDC”) described in this Disclosure and Agreement. The words “you,” “your,” and “yours” refer to First Abilene Federal Credit Union. My Application for use of the Remote Deposit Capture Services, your notification of approval of my application and First Abilene Federal Credit Union’s RDC are hereby incorporated into and made a part of this Disclosure and Agreement. In the event of a discrepancy relating to remote deposit capture services between this Disclosure and Agreement and my Application or your approval, this Disclosure and Agreement will control.

**Account Acceptance.** The following are requirements that must be met for initial approval to use RDC.

- Membership account must be open for a minimum of 90 days
- No delinquent loans
- At least 18 years old
- No history of excessive or repeated returned items
- I authorize First Abilene Federal Credit Union to review my history with eFunds/ChexSystems. Any derogatory result will be cause for denial for RDC.
- Other factors may also be considered

If I meet all of the criteria above First Abilene Federal Credit Union may still remove the privilege of RDC if they believe I am not managing my account in a responsible manner.

**Use of RDC.** Following receipt of your notification approving my use of the RDC, I am authorized by you to remotely deposit paper checks I receive to my account with you by electronically transmitting a digital image of the paper checks to you for deposit. My use of RDC constitutes my acceptance of the terms and conditions of this Disclosure and Agreement. I agree to comply with the hardware and software requirements set forth at Exhibit “A,” which is attached hereto and incorporated by this reference. Upon receipt of the digital image, you will review the image for acceptability. I understand and agree that receipt of an image does not occur until after you notify me of receipt of the image via the Deposit History feature. I understand that, in the event I receive a notification from you confirming receipt of an image, such notification does not mean that the image contains no errors or that you are responsible for any information I transmit to you. You are not responsible for any image that you do not receive. Following receipt of the image, you may process the image by preparing a “substitute check” or clearing the item as an image. Notwithstanding anything to the contrary, you reserve the right, within your sole and absolute discretion, to accept or reject any item for remote deposit into my Account. I understand that any amount credited to my Account for items deposited using RDC is a provisional credit and I agree to indemnify you against any loss you suffer because of your acceptance of the remotely deposited check. In addition, I agree that I will not (i) modify, change, alter, translate, create derivative works from, reverse engineer, disassemble or decompile the technology or Service, (ii) copy or reproduce all or any part of the technology or Service; or (iii) interfere, or attempt to interfere, with the technology or Service.

**Compliance with Law.** I agree to use the products and Service for lawful purposes and in compliance with all applicable laws, rules and regulations. I warrant that I will only transmit acceptable items for deposit and have handled the original items in accordance with applicable laws, rules and regulations. I promise to indemnify and hold you harmless from any damages, liabilities, costs, expenses (including attorneys' fees) or other harm arising out of any violation thereof. This indemnity will survive termination of my Account and this Agreement.

**Check Requirements.** Any image of a check that I transmit to you must accurately and legibly provide all the information on the front and back of the check at the time presented to me by the drawer. Prior to scanning the original check, I will endorse the back of the original check. My endorsement will include my signature and my account number. The scanned image of the check transmitted to you must accurately and legibly provide, among other things, the following information: (1) the information identifying the drawer and the paying bank that is preprinted on the check, including complete and accurate MICR information and the signature(s); and (2) other information placed on the check prior to the time an image of the check is captured, such as any required identification written on the front of the check and any endorsements applied to the back of the check. The image quality for the check will meet the standards for image quality established by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

**Endorsement of Deposited Items.** Checks must be endorsed by the payee on the reverse side of the check in the space nearest the trailing edge of the check. A two-party check that is not endorsed by both parties will not be accepted for deposit. If the check is payable to me or my joint member, either of us can endorse it. If the check is payable to me and my joint member both of us must endorse the check. Third party checks will not be accepted for deposit.

**Rejection of Deposit.** You are not liable for any service or late charges levied against me due to your rejection of any item. In all cases, I am responsible for any loss or overdraft plus any applicable fees to your Account due to an item being returned.

**Items Returned Unpaid.** A written notice will be sent to me of transactions you are unable to process because of returned items. With respect to any item that I transmit to you for remote deposit that you credit to my Account, in the event such item is dishonored, I authorize you to debit the amount of such item from the Account.

**Email Address.** I agree to notify you immediately if I change my email address, as this is the email address where you will send me notification of receipt of remote deposit items.
